工作位系列

Desking series

K70-Z1407-4

整体造型优雅独特，却在细节之处彰显功力，在桌脚和横梁内侧黄金分割比例处，用连续的1/4圆形槽的内切造型，方正中多了一分圆润饱满，减少了笨重的感觉，用细腻流畅的方式表达出刚柔并济、优雅合度的文人气质。

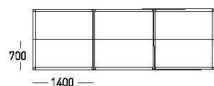

The overall shape is unique and elegant, but the details show its great skill, with Continuous one-fourth circular Groove cut inside, at the golden proportion of the table leg and the inner side of the crossbeam, makes it round and plump, in the meantime, reduces the bulky feeling, showing the literati temperament of hardness with softness and proper elegance in a Delicate fluid way.
